PS.

In Buffalo, in 1996  
my family watched  
the Atlanta Olympics.

I was concerned about  
the anger of the  
victorious athletes...

I had a Prophetic Revelation  
that warned  
of an event at the Atlanta  
Olympics...

(I had played & sang  
Scriptural Songs at St. Rose of Lima for 5 years ... )

- ( [Ezekiel 33:30-33](#) )

I picked up the phone, pressed 1  
to silence the dial-tone, and  
Related the events

- [The next morning it was](#)
- [on CNN...](#)

Then I opened my Bible.

- [Lamentations 2:21-22](#)

God called Ezekiel  
a Watchman...

This week...  
I think that Israel  
may have been fed  
BAD INTEL  
by our agencies  
so that  
Biden could

browbeat  
Netanyahu.

Biden who left  
Billions of weapons  
in Afghanistan,  
and who abandoned  
our Allies there.

And who LIES.
