

# The Art Of Bluffing In Dragon Ball Super Card Battles

Bluffing in [Dragon Ball Super Card](#) Battles is like pretending you have a strong card when you don't. It's a strategic move to confuse your opponent and make them play cautiously. By bluffing, you can make them waste their good cards or miss opportunities. But be careful not to overdo it, or your opponent might catch on. Bluffing adds excitement and mind games to the battle, making it more thrilling.
