

Anua PDRN Hyaluronic Acid Capsule 100 Serum

[Anua PDRN Hyaluronic Acid Capsule 100 Serum](#) is a powerful moisturizing serum designed to boost skin hydration and radiance. Formulated with PDRN, 11 types of Hyaluronic Acids, and Hydrolyzed Collagen, it provides deep moisture, restores skin elasticity, and enhances overall skin texture for a youthful, glowing look.

Key Benefits

- **Intense Hydration:** Infused with 11 types of Hyaluronic Acids to deeply hydrate and improve skin texture.
- **Skin Barrier Support:** Hydrolyzed Collagen helps replenish the skin barrier, promoting firmness and elasticity.
- **Youthful Glow:** PDRN boosts skin vitality and reduces fine lines and wrinkles for a radiant appearance.
- **Lightweight Formula:** Fast-absorbing, watery texture that delivers a refreshing, dewy finish without feeling heavy.
- **Gentle & Fragrance-Free:** Suitable for all skin types, including sensitive skin.
- To explore all our Products at [Qasr Jamal Store](#), Discover a wide range of skincare essentials just for you

How to Use

- **Morning Routine:** Apply a proper amount after toning and pat gently to help absorption. For a radiant makeup finish, mix 1-2 drops with foundation.
- **Evening Routine:** Instead of a mask pack, layer the serum 2-3 times to replenish skin moisture effectively.
