

Over 25,000 Animals, 48 Species: Meet The Rich Wildlife At Anant Ambani's Vantara

Discover Vantara, Anant Ambani's ambitious wildlife rescue and rehabilitation center, home to over 25,000 animals across 48 species. This sprawling 3,000-acre facility provides a haven for rescued, endangered, and threatened animals from around the world. Vantara features a state-of-the-art hospital, conservation breeding programs, and naturalistic habitats. Prime Minister Modi's visit underscores Vantara's commitment to wildlife protection and ecological balance. Learn more about Vantara's mission to provide a new lease of life to animals in need.
