

The 5 Best Carpet Cleaner Products in Australia for 2024

Keeping your carpets clean is important for having a healthy and visually appealing home. However, with the myriad of [best carpet cleaning products Australia](#), it can be overwhelming trying to decide which ones are effective and safe for your carpets.

That's why we've taken the guesswork out of it for you. After extensive research and testing, we've compiled this list of the 5 best carpet cleaner products you can buy in Australia right now. Whether you've got wool, nylon, polyester, or olefin carpets, there's a great cleaner option waiting for you below.

1. Bissell PROheat 2X Revolution Pet Pro

Our choice for the best overall carpet cleaner is the Bissell PROheat 2X Revolution Pet Pro. As the name suggests, it's a powerful cleaner designed specifically for homes with pets and pet messes.

This versatile machine has two separate tanks - one for clean water/Bissell cleaning formula mix and one for collecting dirt water. This allows for a continuous supply of water and soap as you clean, providing consistent cleaning power.

The Bissell PROheat 2X features dual rotating DirtLifter power brushes which work to loosen and lift deep down dirt. Its cleaning path width is 12 inches, so you can cover more carpet area faster.

Some stand-out features include:

- Built-in heater continuously heats hot tap water to maximize cleaning effectiveness
- Specialized pet cleaning mode with potent Bissell Pet Stain & Odor formula
- Attachments for cleaning upholstery, stairs, hard floors and more
- 3-year limited warranty for peace of mind

With 6 different rows of cleaning bristles, 12 amps of power, and a built-in heater, this Bissell carpet cleaner machine delivers professional-style results without the professional cost. Perfect for deep cleaning carpets with lots of high traffic, dirt, pet smells, and accidents.

2. Vax Rapid Power Plus Carpet Cleaner

Another great cleaner option for Australian homes is the Vax Rapid Power Plus Carpet Cleaner. Offering impressive cleaning capabilities despite its smaller size, it's a great portable machine.

It features SpinScrub technology - which means it has rotating brushes that scrub deeply embedded dirt out of carpets for a more thorough clean. The dual rotating brushes can cover widths of around 10cm.

We like that it has an automatic mixing function, using the right ratio of water and Vax carpet cleaning solution for optimal results. The tank has a large 3-liter capacity, though it's still lightweight at just over 5 kg.

Additional features:

- "Quick dry" mode uses less water for fast carpet drying
- Removable tanks for easy refilling and emptying
- Up to 30 minutes of continuous steam
- Wash tool for cleaning upholstery

Overall, Vax's Rapid Power Plus delivers outstanding cleaning for a great price. And its smaller size makes storage simple between uses.

3. Rug Doctor Mighty Pro X3 Pet Pack

Next up is a heavy-duty cleaner from the iconic Rug Doctor brand - the Mighty Pro X3 Pet Pack. True to its name, it offers exceptional stain-fighting capabilities to power through pet stains, odors, and ground dirt.

Its main advantage is its incredible suction power of 5 bar pressure. This allows it to extract far more water and dirt particles out of carpets compared to other models. The result is a deeper clean and faster drying time.

The Rug Doctor Mighty Pro X3 has a large capacity clean water tank at 4 liters. It also has an extra wide cleaning path (11 inches) so your whole carpet can be freshened up quicker. Dual cross-bristle brushes provide fingertip cleaning of carpet fibers.

Bonus features in the Pet Pack include:

- Additional tools for upholstery and spot cleaning
- Rubber non-slip tray for cleaning auto interiors
- Rug Doctor Pet Formula carpet cleaner (1 liter)

With superior suction power plus the ability to handle heavy stains and smells from pets, the Rug Doctor Mighty Pro X3 is an excellent choice for pet owners.

4. Bissell SpotClean ProHeat Portable Spot Cleaner

For tackling small stains or cleaning carpeted areas like stairs, the Bissell SpotClean Pro is a great portable solution. Despite its smaller size, it still offers professional quality cleaning.

This handheld Bissell machine has powerful suction to extract dirt/debris combined with scrubbing action from its spiral brushes. The cleaning path width is 10 inches.

Some handy features include a built-in heater to maintain hot water temperature, a 6-inch stair cleaning tool, and a 3-inch tough stain tool. There are also various attachments for furniture, car interiors, and more. An 8-foot hose allows you to easily transport the SpotClean Pro between areas needing a quick clean.

Other benefits are:

- Compact and lightweight (under 5kgs) for storage and carrying
- 15-foot power cord
- Removes stains that would normally require rental steam cleaners
- Simple to fill, empty, and rinse thanks to removable water/solution tanks

For convenient whole-home touch-up cleaning, Bissell's SpotClean Pro is a great portable cleaner choice for Australian homes. No more schlepping to the laundromat for small accidents and spills!

5. Karcher Puzzi 100 Carpet Cleaner

Finally, we chose the Kärcher Puzzi 100 as the best professional-style hot water extraction carpet cleaner you can buy in Australia right now.

This commercial-grade Karcher machine operates via hot water extraction, spraying hot cleaning solution deep into carpets and then immediately sucking it back up for the ultimate

clean.

With its powerful 1100-watt motor, it generates strong spray pressure and high suction power for quick cleaning times. It can tackle the heaviest soiling in just 1 pass over carpets.

Some pros of choosing the Puzzi 100 include:

- 75°C hot water kills bacteria and fungus living in carpet fibers
- Cleans right to the carpet backing for whole-depth cleaning
- Fast carpet drying times afterward
- Ergonomic handle for easily maneuvering up/down stairs

While it is an investment, the robust and versatile Puzzi 100 pays dividends by reliably delivering professional carpet cleaning results for years to come. It will outperform rental cleaners and keep your carpets permanently fresh.

So there you have it - our roundup of the top 5 best carpet cleaner machines you can buy online and in stores across Australia right now. From portable spot stain removers to industrial-strength hot water extraction models - there's a carpet cleaner here to suit every home and budget. Happy cleaning!
