

# Moving Packing List: Don't Forget These Important Move-In Essential

While making a moving packing list, include returning the stuff you've borrowed from friends or neighbors. Put a system in place ahead of time to return lent items as you're getting ready to move. You definitely don't want to accidentally pack your neighbour's plate in your kitchen boxes! Make sure to keep borrowed stuff separate so it doesn't get mixed in with your own packed belongings.
