Shotacon & lolicon fanarts he sent on the lunime discord servers

all photos are blurred/censored.

(note: he posted these fetish artworks with the same discord ID as above.)

1 - <https://fileditchfiles.me/file.php?f=/s23/hOSrXKRSpHAQXUJVfhI.png> (Lilith and Cykopath. Lilith (the girl from the left) is a **15 years old succubus.**)

Lilith's old profile: <https://fileditchfiles.me/file.php?f=/s23/gxgjOyzQQLTqaQQLdrhL.png>

The video (Lilith's old profile at 4:43 mark):

Regarding about Cykopath, Injigo claimed he is **17 years old** from his Luni thread twice:

Kiwi-chan and Cwcki-chan fanart, he calls the child characters "loli":

<https://kiwifarms.net/threads/kiwi-chan.61404/post-16266645>

Raiden (most likely from mortal kombat) drawn as a "loli"

<https://kiwifarms.net/threads/post-your-art-thread.116/post-16587250>

Injigo admits he has a crush on Saber. Saber from Fate series is physically 15 years old and mentally 35 years old

<https://kiwifarms.net/threads/fictional-crushes.65059/post-10348955>

he made BDSM porn of saber (NSFW on the spoilers): <https://kiwifarms.net/threads/post-your-art-thread.116/post-9520737>
