Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship.
20. It is now on and for the record and in perpetuity that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has never, at any time provided valid, presentable material evidence to support the claim contra the statement made by Chandran Kukathas in possiting that HM Government plc is an entity, a Corporation/State.
21. It is now on and for the record and in perpetuity that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has never, at any time provided valid, presentable material evidence to support the claim of right to act in contempt of court—in concealment of valid, presentable material evidence—including that data requested through Subject Access Requests, wet ink signed contracts, presenting signed Bills, all accounting documents, ledgering AND HMCTS Case Management File—for the principal legal embodiment of us to peruse and rebut to the bias to the detriment of MRS YVONNE HOBBS.
22. It is now on and for the record and in perpetuity that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has never, at any time provided valid, presentable material evidence to support the claim there is authority for MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State to wilfully and premeditatedly Act to cause alarm and distress which is a formally recognised act of terrorism which is also a recognised criminal offence upon MRS YVONNE HOBBS without the presentment of the wet ink signed consent of the 64.1 upon this land and including the wet ink signature of MRS YVONNE HOBBS and that you had these consents as presentable, material fact before you brought your charges or made your claims.
23. It is now on and for the record and in perpetuity that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has chosen to enter into a lasting and binding tacit agreement through acquiescence by not negating the facts presented in Exhibit (A), and MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has agreed to the criminal offences documented on and for the record in this correspondence, thus establishing a formal agreement between the parties MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State and MRS YVONNE HOBBS on and for the public record. Since there is no disagreement between the parties, this is a non-judicial matter by default.
24. It is now on and for the record and in perpetuity that all matters must be expressed to be resolved and MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State was offered an opportunity to resolve (see Exhibit (B) as material, physical, and tangible evidence and substance and a foundation to this fact). Since it is MRS YVONNE HOBBS who is the victim of these agreed criminal offences of MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State, then MRS YVONNE HOBBS has the right to redress and choose the remedy for these agreed criminal offences.
25. It can be noted here, for and on the record, that the remedy for the criminal offence of fraud is seven to ten years' incarceration, the latter where there are multiple instances of fraud. MRS YVONNE HOBBS is under no legal or statutory obligation to observe and act upon the State policy regarding this matter and would consider that this extensive term of incarceration would be an insurmountable encumbrance on the public purse. For these reasons, it is decided by MRS YVONNE HOBBS to offer alternative remedy by way of a charge.
26. A second option was also proposed, which is by standing as a surety and, therefore, providing a security by way of a lien, allowing MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State to regain honour without any cause for distress to MR CHARLES ALAN

NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State. (see Exhibit (B)).

27. It is important to note here on and for the record that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has chosen by their actions not to resolve their debt by way of personal cheque or a commercial instrument. It is also important to state here on and for the record that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has not communicated by any means reluctance or objection to stand as surety and provide security by way of a lien on the estate and future earnings of MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State extended to the future generations of MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State where the sins of the father are the sins of the sons to the seventh generation, and where there may be an attachment of earnings on future generations of CHARLES ALAN NUNN (CLAIMANT).
28. MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has not disagreed by any means of communication or correspondence to stand as surety for a security by way of a lien for their criminal offences, which have been fully documented and declared by way of this affidavit. As a consequence of not disagreeing with this proposed remedy, has formally agreed to this remedy to stand as surety, and agrees to be a security by way of a lien, and once again stands in honour by their actions by accepting the proposed remedy in full knowledge and understanding, without coercion or deception, and without the threat of harm, loss, or injury.

Considering the position of MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State, MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State should have shown more diligence and accountability in the office. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of LLOYDS BANK PLC Corporation/State which is detrimental to the function and the interests of LLOYDS BANK PLC Corporation/State and that CHARLES ALAN NUNN (CLAIMANT) in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State has acted in an ultra vires capacity in the position as CEO OFFICER for VLLOYDS BANK PLC Corporation/State and without the legal authority to do so, thus it can be concluded that MR CHARLES ALAN NUNN in the position of CEO OFFICER for LLOYDS BANK PLC Corporation/State could be held culpable for their actions as not in the best interests of LLOYDS BANK PLC Corporation/State

Guidance Notes for the Notice Appointment (with Bailiff) for Execution of Warrant of Possession or Delivery

- The entitlement to use force comes from the authority given by the person entitled to possession, and not by virtue of the issue of the Warrant of Possession.
- Whilst the claimant can authorise the bailiff to use reasonable force to carry out the eviction, they are not empowered to instruct or order the bailiff to use such force, reasonable or otherwise.
- Where the use of reasonable force becomes necessary, the bailiff will assess the situation based on the Court Service Risk Assessment guidelines and use his/her judgment in determining whether or not to proceed with the eviction.
- If the bailiff decides that the use of force would be necessary, the bailiff will ask the claimant/agent (in accordance with the confirmation slip on the EX96) to sign the possession warrant giving authority to use force. If the authority is not forthcoming then the bailiff will decide the appropriate action to take.
- In the event of the bailiff deciding, in the interests of health and safety not to use reasonable force s/he will withdraw the eviction.
- If the occupier(s) fail to vacate the premises, the claimant may apply to the court for the occupier's committal for disobedience of the possession order. *(See Bell v Tuohy CA NJL 19 April p 587)* [2002].

Placed formally on the record of Government and the State.

As of March 2015

[WA4 1DW]
20th Day of March 2015

Ladies and Gentlemen. It is our Duty and obligation and very great honour to make the following announcement and Decree.

On this Day the 20thDay of March 2015.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That there has never been any such thing as LAW. But only the presumption of law, where a presumption is nothing of material substance and any presumption can be dismissed by a formal challenge.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That Parliament does not reign supreme and that any notion of government has no legitimacy without the Material evidence that the governed have given their consent and that there cannot be any Government For the one cannot exist in isolation without the other. Also that any action taken by way of Act or statute of Parliament is and always has been a criminal offence of FRAUD and Malfeasance in the office at the very least.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That the office of the Judiciary is nothing more than a sub office of a commercial body and the status and standing of any Judge or Magistrate currently on this land has no greater status or standing or authority than the Manageress of McDonalds. Also it is formally recognised on and for the record that the state is a is legal embodiment by an act of registration which is of no material substance and therefore fraud by default and that the interests of the State are the interests of the State alone to the detriment of anybody and anything else including its own officers of the state. That the actions of the State are now recognised as an unconscionable and criminal fraternity capable of highness crimes without measure.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That any and all executable Orders and Documents must carry an affixed common seal which denotes point of origin and that any and all excitable Orders and Documents must be signed by human hand and in wet ink by a named authoritative living being who takes full responsibility for the content of that formal excitable Order or document. Any deviation from this standing process where there is no affixed common seal or signature in wet ink by a living hand with authority to do so, will be recognised in perpetuity as a criminal offence.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That all imposed Taxation and Duty is and always has been not only a criminal offence but is also detrimental to all the people of this planet.

20th Day of March 2015

That from this day forward and as of the 20th Day of March 2015 and in perpetuity the enforcement of all Taxation and duty is a recognised Act of Terrorism. It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and stamen of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That there is no such thing as money or commerce. No body gets paid or has been paid. No Body has the capability to Pay anybody or for any thing or Item without Money. All commercial instruments are nothing more than pieces of paper with marks on them. That there value is only confidence and belief where confidence and Belief is recognised as being of no material substance. The continued use of these commercial instruments is for the feeble of mind who insist on living in a make believe world of their own making. Capitalism will forever be recognised and in perpetuity as the exploitation of another for personal gain. This has always been an unconscionable and detrimental activity to the human race since Babylonian times.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. There is no greater Sanctuary than the human home, be this home a castle or a wood hut or a blanket on the ground. From this day forward as of the 20th Day of March 2015 let it be known that any transgression of this sanctuary other than by invitation, that any transgression of this Sanctuary is a recognised Act of War and aggression. We have the right by the very fact that we live to protect our life and the life of our loved ones. Any transgression of this Sanctuary can be met with equal or great force with impunity. This is the long standing law and traditions of this land. So say we all.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That the practice of election by way of secret ballot is and always has been an abomination and deception with no credibility or redeeming qualities. By the very fact that this is a SECRET Ballot by any means of notarisation or recording renders the outcome obsolete by definition that is a secret Ballot. By the very fact that there is no recognised un-elective or reveres process and by the very fact that there is no such word to this effect in the recognised dictionaries. Then this elective process by way of secret ballot is and always has been void ab initio. Have a nice Day. On and for the record.

Bring out the town crier and let the Bell ring. Let it be known across this planet, that from this day the 20thDay of March 2015 that the satanic Roman Empire is no more. Let it be by Decreed that this is the day and will always be the day in perpetuity when the days of austerity and tyranny end for all time to come. Let this day go down in history across this planet as a day of celebration for all time. So say we all.

Let the celebrations begin.

So say we all.

Affidavit of Truth and statement of Fact.

1. I, Baron David of the House of Ward (being the undersigned) do solemnly swear, declare and depose....

2. THAT I am competent to state the matters herein, and do take oath and swear that the matters herein are true, certain and correct as contained within this David of the House of Ward Affidavit of Truth and Fact.

3. I am herein stating the truth, the whole truth & nothing but the truth; and these truths stand as fact until another can provide the material and physical evidence to the contrary.

4. THAT I fully and completely understand, before any charges can be brought, it must be firstly proved, by presenting the material evidence to support the facts that the charges are valid and have substance that can be shown to have material physical substance as a foundation in fact.

5. From Exhibit (A). —Formal challenge to the twelve presumptions of lawl A presumption is something that is presumed to be true and as a presumption then there is only a need for a formal challenge to that presumption to dismiss that presumption until the physical and material evidence can be presented to support that presumption.

6. From Exhibit (B). —Case Authority WI-05257Fl David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process It is clear in the case that David Ward did not challenge the PCN or the traffic Management Act 2004 section 82. But what was challenged was the presumption of the consent of the governed. What is a mandatory requirement before the Acts and statutes can be legally acted upon is that the consent of the governed has some validity and that it can be presented as material fact before any charges can be brought. It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed where the governed have actually given their consent and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Were there is no consent of the governed on and for the public record then there is not governed and where there is no governed then there is no government. The one cannot exist without the other. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

   From Exhibit (C). —The Material evidence of the FACTSl It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:-(1) Whilst there is no material and physical evidence to the fact that the governed have given their consent. Then the office of the Judiciary has no greater authority than the local manageress of McDonalds. As the office of the Judiciary is a sub office of a legal embodiment by an act of registration. Where this act of registration creates nothing of physical material substance and is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord |Chief Justice Sir Jack Beatson FBA, Where the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consent. As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where

there is also and always a conflict of interests where there is a conflict of interests between the needs of the people and the state (Company) Policy which has no obligation to the people or even the needs and wellbeing company staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government. See Exhibit (C) The Material evidence of the FACTS.

7. From Exhibit (D). It is quite clear that there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes then the document it's self is physical and material evidence of Malfeasance in a public office and fraud.

8. From Exhibit (E). It is very clear that all instances of Taxation and Duty, VAT is not only not necessary but only serves to deplete and subtract from the populations prosperity. Not only this but as we have shown it is also illegal and criminal to do so without the agreement or the consent of the governed. It is unconscionable and a recognised act of terrorism. The Exhibit speaks for its self.

9. From Exhibit (F). The Facts are the Facts. There is no money. The facts are the Facts. A great number of people live their lives in a world of make believe. Let us consider this. Two barristers or lawyers will and do enter into a court room and one of them will lose. For some reason which is beyond our comprehension it is a professionally accepted practice to have a 50% failure rate. In a world of reality there is some people who service the planes at the local airport between flights. If these people had a 50% failure rate then 50% of the planes would fall out of the sky. THAT IS A FACT. There is no money, just the illusion of money. There is legal tender and fiscal currency and commercial instruments and promissory Bank notes, but there is no money. It is quite clear that a lot of people live in a world of make believe and Alice in wonderland Lar Lar land. There is no money. It is not possible to pay for anything without money. You never paid for anything and you never got paid. That is a fact.

10. There is no valid, legal or lawful government on this land. See Exhibit (H) The Hypocrisy of the Secret Ballet Elective Process.

11. From Exhibit (G). My rights end where your rights begin. Your rights end where my rights begin. Rights are not granted by government or the crown and they cannot be taken away or violated by government or the crown. A Judge does not have the right to trespass on my property so the judge cannot give a Bailiff or a civil enforcement officer or a policeman the right by means of a warrant or an order because the Judge, who is a company servant by default, does not have that authority unless I agree. A public servant is a servant by default with the status of servant and a servant has no authority above the one who grants that authority. Until the Judge can present the agreement or the consent of the governed then the Judge has no authority to grant a warrant or a court order. Exhibit Case Authority WI-05257F. David Ward V Warrington Borough Council. 30thday of May 2013. Also Exhibit (C) The Material evidence of the FACTS. These are the facts. The material evidence of these facts has been provided.

12. This Affidavit of Truth and statement of Fact stands on and for the record as FACT until some other can present the material physical evidence to the contrary which is valid.

Formal challenge to the twelve presumptions of law

Definition of presumption: http://www.oxforddictionaries.com/definition/english/presumption

1. An idea that is taken to be true on the basis of probability:

As a presumption, is a presumption on which must be agreed by the parties, to be true.

THEN and EQUALY

If one party challenges the presumption to be true on the basis of probability. Then this is all that is recognised to be required to remove the presumption is a formal challenge to that presumption. The presumption then has no standing or merit in FACT.

A probability: http://www.oxforddictionaries.com/definition/american_english/probability

1. The extent to which something is probable; the likelihood of something happening or being the case:

By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material FACT.

A **State Court** does not operate according to any true rule of law, but by presumptions of the law. Therefore, if presumptions presented by the private Bar Guild are not rebutted they become fact and are therefore said to stand true. There are twelve (12) key presumptions asserted by the private Bar Guilds which if unchallenged stand true being *Public Record, Public Service*, *Public Oath*, *Immunity*, *Summons, Custody, Court of Guardians, Court of Trustees*, *Government as Executor/Beneficiary, Agent and Agency, Incompetence*, and *Guilt*:

(i) *The Presumption of* ***Public Record*** is that any matter brought before a state Court is a matter for the public record when in fact it is presumed by the members of the private Bar Guild that the matter is a private Bar Guild business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the Public Record, the matter remains a private Bar Guild matter completely under private Bar Guild rules;

We, the undersigned formally challenge the *Presumption of Public Record* as it is by definition a presumption by definition and has no standing or merit in presentable or material fact.

(ii) *The Presumption of* ***Public Service*** is that all the members of the Private Bar Guild who have all sworn a solemn secret absolute oath to their Guild then act as public agents of the Government, or "public officials" by making additional oaths of public office that openly and deliberately contradict their private "superior" oaths to their own Guild. Unless openly rebuked and rejected, the claim stands that these private Bar Guild members are legitimate public servants and therefore trustees under public oath;

We, the undersigned formally challenge the *Presumption of* ***Public Service*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(iii) The *Presumption of* ***Public Oath*** is that all members of the Private Bar Guild acting in the capacity of "public officials" who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly, impartiality and fairly as dictated by their oath. Unless openly challenged and demanded, the presumption stands that the Private Bar Guild members have functioned under their public oath in contradiction to their Guild oath. If challenged, such individuals must recues themselves as having a conflict of interest and cannot possibly stand under a public oath;

We, the undersigned formally challenge the *Presumption of* ***Public Oath*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(iv) The *Presumption of* ***Immunity*** is that key members of the Private Bar Guild in the capacity of "public officials" acting as judges, prosecutors and magistrates who have sworn a solemn public oath in good faith are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded, the presumption stands that the members of the Private Bar Guild as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions;

We, the undersigned formally challenge the *Presumption of* ***Immunity*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(v) The *Presumption of* ***Summons*** is that by custom a summons unrebutted stands and therefore one who attends Court is presumed to accept a position (defendant, juror, witness) and jurisdiction of the court. Attendance to court is usually invitation by summons. Unless the summons is rejected and returned, with a copy of the rejection filed prior to choosing to visit or attend, jurisdiction and position as the accused and the existence of "guilt" stands;

We, the undersigned formally challenge the *Presumption of* ***Summons*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(vi) The *Presumption of* ***Custody*** is that by custom a summons or warrant for arrest unrebutted stands and therefore one who attends Court is presumed to be a thing and therefore liable to be detained in custody by "Custodians". Custodians may only lawfully hold custody of property and "things" not flesh and blood soul possessing beings. Unless this presumption is openly challenged by rejection of summons and/or at court, the presumption stands you are a thing and property and therefore lawfully able to be kept in custody by custodians;

We, the undersigned formally challenge the *Presumption of* ***Custody*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(vii) The *Presumption of Court of* ***Guardians*** is the presumption that as you may be listed as a "resident" of a ward of a local government area and have listed on your "passport" the letter P, you are a pauper and therefore under the "Guardian" powers of the government and its agents as a "Court of Guardians". Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter (trust) before the court, the presumption stands and you are by default a pauper, and lunatic and therefore must obey the rules of the clerk of guardians (clerk of magistrates court);

We, , the undersigned formally challenge the *Presumption of* ***Guardians*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(viii) The *Presumption of Court of* ***Trustees*** is that members of the Private Bar Guild presume you accept the office of trustee as a "public servant" and "government employee" just by attending a Roman Court, as such Courts are always for public trustees by the rules of the Guild and the Roman System. Unless this presumption is openly challenged to state you are merely visiting by "invitation" to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction - simply because you "appeared";

We, the undersigned formally challenge the *Presumption of* ***Trustees*** as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

(ix) The *Presumption of* ***Government acting in two roles as Executor and Beneficiary*** is that for the matter at hand, the Private Bar Guild appoints the judge/magistrate in the capacity of Executor while

And

Warrington Borough Council

Date: 30th Day of May 2013

Case Overview.

What the Government would like people to believe is that a procedural impropriety is an acceptable mistake which can be overlooked. But what this is, is a deliberate act of fraud and also malfeasance in a public office.

These are very serious crimes with criminal intent.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime caries a penalty of 7 to 10 years incarceration and there latter, where there is multiple instances of. 63.5 million People are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country.

This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

Malfeasance, Misfeasance and Nonfeasance is also a very severe crime with a period of incarceration of Life in prison. Malfeasance is a deliberate act, with criminal intent to defraud. Ignorance is no defense. Malfeasance has been defined by appellate courts in other jurisdictions as a wrongful act which the actor has no legal right to do; as an act for which there is no authority or warrant of law; as an act which a person ought not to do; as an act which is wholly wrongful and unlawful; as that which an officer has no authority to do and is positively wrong or unlawful; and as the unjust performance of some act which the party performing it has no legal right.

Crimes of this nature cannot go unpunished. If crime goes unpunished then the criminal will undertake the action again and again. When the criminal is rewarded for the crime by their peers and superiors it then becomes difficult to know that a crime has been committed in the first place. However, it is everyone's obligation to be fully conversant with there actions, and the consequences of their actions in every situation.

"I was just following orders" Or "I was just doing my Job" Is no excuse.

When the full extent of these crimes is realised, it then becomes blatantly obvious that these crimes are deliberate and in full knowledge if not by the lower subordinates but defiantly by the executive officers of the company.

The cost of these crimes has been estimated to be in the region of £4,037.25 Trillion over the past 35 years. This is the cost to the people of this small country which is far in excess by many times the global GDP.

The simplicity of this case is very often overlooked as it involves a simple PCN. (Penalty Charge Notice)

It is important to note here that the appellant at tribunal did not challenge the PCN, or the Traffic Management Act. But the appellant took out the very foundation to any claim made under any Act or statute of Parliament. All of which have the same legal dependency which has never been fulfilled in 800 years.

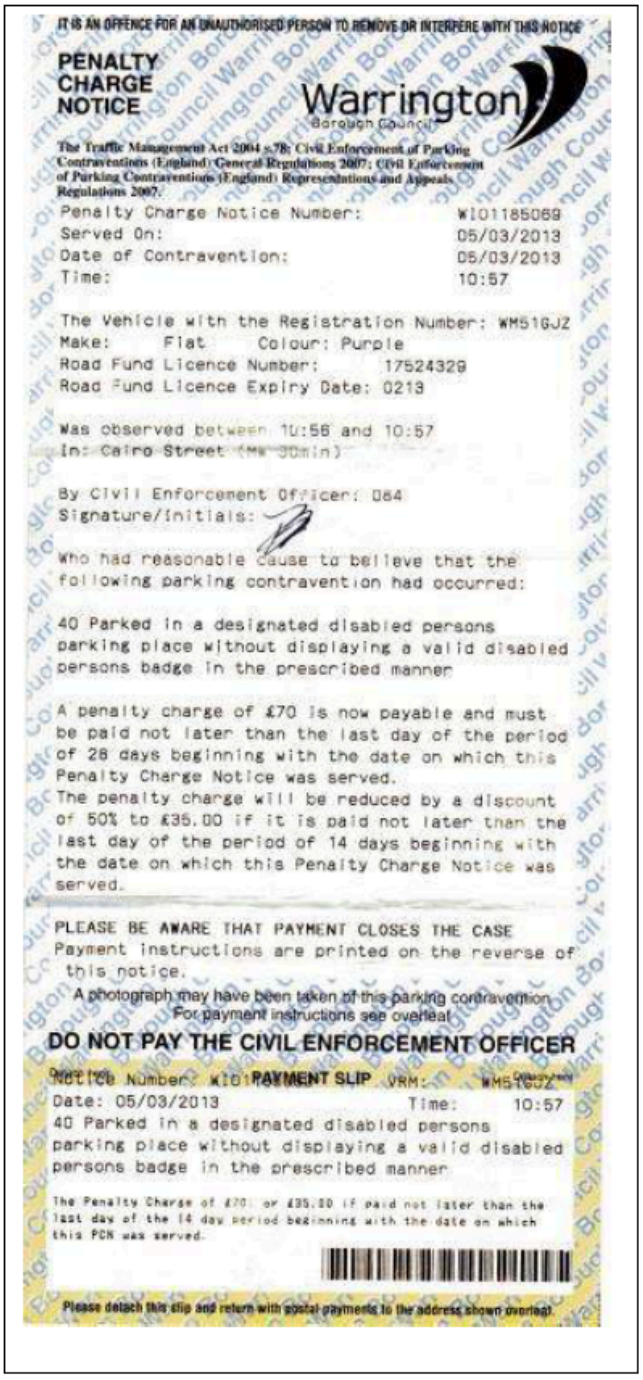

There are in excess of 8 million Act's and statutes. None of which can be acted upon without the legal authority to do so. To act upon these same Act's/Statutes without the legal authority to do so is Malfeasance in a public office and fraud at the very least.

This case which was undertaken at tribunal and there for recognized due process confirms this to be the facts of the matter.

Case details.

This may be a simple PCN (Penalty Charge Notice) but close observation of the details will conclusively show otherwise.

This is the PCN (Penalty Charge Notice) issued by Warrington Borough Council which clearly shows that a claim is being made under the traffic management Act 2004. There is clearly no disclosure to the fact that there is no liability to pay as the outcome will show.

How to Make Representations

The Traffic Management Act 2004 sets out grounds (see below) on which you may make Representations.
Representations must be made in writing within the period of 28 days beginning with the date of service of this Notice, the date of service will be taken to have been 2 working days after the day of posting. Any Representations made after this date may be disregarded.

Section One: Grounds for Representations.

Please tick the grounds on which you are making representations.
I am not liable to pay the penalty charge because:

- ☑ **The alleged contravention did not occur.**
  In Section 3, explain why you believe no contravention took place.
- ☐ **I was never the owner of the vehicle in question/or**
  Please complete section 2.
- ☐ **I had ceased to be its owner before the date on which the alleged contravention occurred/or**
  Please complete section 2
- ☐ **I became its owner after the date on which the alleged contravention occurred.**
  Please complete section 2
- ☐ **The vehicle had been permitted to remain at rest in the place in question by a person who was in control of the vehicle without the consent of the owner.**
  Supply proof such as a police crime report number, police station address or insurance claim in Section 3.
- ☐ **We are a vehicle hire firm and the vehicle was on hire under a hiring agreement and the hirer had signed a statement acknowledging liability for any PCN issued during the hiring period.**
  Please supply a copy of the signed hire agreement including the name and address of hirer. Please complete Section 4.
- ☐ **The penalty charge exceeded the amount applicable in the circumstances of the case.**

- ☑ **There has been a procedural impropriety by the enforcement authority.**
  Please complete Section 3 stating why you believe the authority has acted improperly or in breach of regulations.
- ☑ **The Order which is alleged to have been contravened in relation to the vehicle concerned is invalid.**
  You believe the parking restriction in question was invalid or illegal. Please complete Section 3.
- ☐ **This Notice should not have been served because the penalty charge had already been paid.**

If none of the grounds above apply but you believe there are mitigating circumstances please complete Section 3.

We would also point out at this point that this is an unsigned NOTICE and not a legal document. The mitigating circumstances is that there has been a procedural impropriety, which is clearly an option as this is clearly stated on the notice to owner. So it is apparent that there is a procedural impropriety in place and this is known by Warrington Borough Council otherwise this option would not be a part of the Notice to owner. We also took the opportunity to utilise a second option which confirms there is a procedural impropriety and that the order which is alleged to have been contravened in relation to the vehicle is invalid. Why ells would these possibilities be on this notice to owner if there was not a procedural impropriety. We also took the opportunity to complete section 3 of the notice to owner to clarify the procedural impropriety on a separate piece of paper as advocated by Warrington Borough Council as there was not enough space on the notice to owner provided. These presentations were as follows.

making or keeping agreements. It does not look as if the point of the state is to serve our interest in order even if that were our sole or primary interest.

Another view of the point of the state is that it serves our interest in freedom. Two theories of this kind were offered by Rousseau and Kant. In Rousseau's account, the emerges of society brings with it the loss of a kind of freedom as natural man is transformed into a social being ruled directly and indirectly by others. The recovery of this freedom is not entirely possible, but freedom of a kind is possible in the state, which is the embodiment of the general will. Living in such a state we can be free as beings who are, ultimately, subject not to others but to laws we give ourselves. Drawing inspiration from Rousseau's conception of freedom, Kant presents a slightly different contractarian story, but one with a similarly happy ending. The antithesis of the state is the state of nature, which is a state of lawless freedom. In that condition, all are morally obliged to contract with one another to leave that state to enter a juridical realm in which freedom is regulated by justice so that the freedom each can be compatible with the freedom of all. The state serves our interest in freedom by first serving our interest in justice. If Hobbes thought that whatever the state decreed was, eo ipso, just; Kant held that justice presupposed the existence of the state. What's difficult to see in Kant's account is why there is any obligation for everyone in the state of nature to enter a single juridical realm, rather than simply to agree to abide by the requirements of morality or form different ethical communities. Why should freedom require the creation of a single juridical order? It is no less difficult to see why the state might solve the problem of freedom in Rousseau's account . If, in reality, there is a conflict between different interests, and some can prevail only at the expense of others, it seems no better than a cover-up to suggest that all interests are served equally well since all are free when governed by laws that reflect the general will. If this is the case, the state serves our interest in freedom only by feeding us the illusion that we are free when in fact we are subordinated to others.

Hegel also thinks that our deepest interest is in freedom, but for him it can only be fully enjoyed when we live in a community in which the exercise of that freedom reflects not simply the capacity of particular wills to secure their particular interest but the existence of an ethical life in which conflicts of interest are properly mediated and reconciled. The institution that achieves this is the state, which takes us out of the realm of particularity into the realm of concrete universality: a realm in which freedom is given full expression because, for the first time, people are able to relate to one another as individuals. This is possible because the state brings into existence something that eluded people in society before the state came into being: a form of ethical life in which, at last, people can feel at home in the world.

The most serious challenge to Hegel's view is that offered by Marx. The state might appear to be the structure within which conflicts of interest were overcome as government by the universal class Hegel's state bureaucracy acted to serve only the universal interest, but in reality the state did no more than masquerade as the defender of the universal interest. The very existence of the state, Marx argued, was evidence that particularity had not been eliminated, and discrete interests remained in destructive competition with one another. More specifically, this conflict remained manifest in the class divisions in society, and the state could never amount to more than a vehicle for the interests of the ruling class. Freedom would be achieved not when the state was fulfilled but when it was superseded.

What is present in Marx but missing in the previously criticized theories is a keen sense that the state might not so much serve human interests in general as serve particular interests that have managed to capture it for their own purposes. This is why, for Marx, social transformation requires, first, the capture by the working class of the apparatus of the state. The cause of human freedom would be served, however, only when the conditions that made the state
