

# Vantara Jamnagar: When Will It Open to the Public? Wildlife Centre Fees, Website, Area, and Project

Vantara Jamnagar Zoo, officially inaugurated on March 4, 2025, by Prime Minister Narendra Modi, is a groundbreaking animal rescue and conservation center located within the Reliance Jamnagar Refinery Complex in Gujarat. Spanning over 3,500 acres, this sanctuary houses more than 2,000 animals across 43 species, offering state-of-the-art facilities for wildlife rehabilitation and care. Founded by Anant Ambani and Radhika Merchant, the zoo emphasizes sustainable conservation efforts while integrating unique attractions like a temple complex and vast green spaces. Ticket booking details and entry fees will soon be available on its official website, enhancing accessibility for visitors keen to explore this monumental project
