The document is a short story by John Steinbeck about a woman named Elisa who cares for flowers in her garden. Themes: isolation, loneliness, aesthetics, lack of fulfillment, betrayal. A wily tinker raises the self-esteem of an emotionally starved chrysanthemum-growing farmer's wife, only to shatter it several hours later. Text, PDF, mp3. chrysanthemums, giant whites and yellows. I raise them every year, bigger than anybody around here. Kind of a long-stemmed flower? Looks like a quick puff of colored smoke? he asked. That's it. What a nice way to describe them. They smell kind of nasty till you get used to them, he said.
