Play Ludo Game Online on Rush

You can play ludo online for free on Rush gaming app and earn cash. There are two ludo game options, Speed Ludo & Tezz Ludo.

1. Speed Ludo

Relive your childhood with this modern version of everyone's favourite Ludo game & win real cash! Speed Leedo is the best ludo app online. It is a modern take on the royal game of Pachisi, a game that was played by Indian kings & queens in the old days. In fact,

speed leedo is a faster & more fun version of the classic ludo game. Online ludo can be one of the most interesting two player board games to play.

2. Tezz Ludo

Tezz Ludo as the name suggests is a fast version of ludo game where all 4 pawns of the same color are at different safe positions on the board. Rest of the gameplay remains the same. Tezz ludo adds to the thrill of playing ludo online.

Here is how to play a ludo game online in 3 steps after ludo app download.

How to play Ludo online?

- * Move pawns forward from one tile to another to earn points
- * Kill other coloured pawns & absorb their points
- * Score maximum to win ludo online.

Features of Rush the best Ludo app online:

- * Speedy version of ludo online
- * Easy to play online ludo game
- * Faster, fun games
- * Play ludo game & win daily rewards
