

Open-mouthed French squad depth, 3rd and Benzema 5th, Lloris?!

The French national team has more top-notch players than any other national team. There are even players in the fifth tier who you can even tell by their name.

"Score 90," a French football media outlet, said on Tuesday that it has formed five teams, ranging from the first team first team to the fifth team the Pippis team. The move is aimed at demonstrating how thick France's squad depth is. France is ranking second in the FIFA rankings as of February. [안전한 파워볼사이트](#)

If the A-match is held right now, "Lee Kang-in's teammates" Kylian Mbappe and Usman Dembele Paris Saint-Germain, Marcus Thuram Inter Milan, Eduardo Camavinga, Orelan Chouameni Real Madrid, Antoine Griezmann Atletico Madrid, Theo Hernandez AC Milan, Ibrahima Konate Liverpool, William Saliba Arsenal, Bangamain Pavar Inter Milan, and Mike Menang AC Milan were chosen as the first team.

Coach Didier Deschamps of the French national team is aiming to win the title at Euro 2024, which will take place this summer. It is a squad that has a good balance from offense to defense.

The second team is also outstanding. Moussa Diaby Aston Villa, Olivier Giroud AC Milan, and Randal Kolo Muani Paris Saint-Germain will form a three-top. Warren Zaire-Emery Paris Saint-Germain, Yusuf Fofana AS Monaco, and Adrien Rabiot Juventus will form midfielders, while Luca Hernandez Paris Saint-Germain, Dayot Upamecano Bayern Munich, Jules Kounde Barcelona, Jonathan Klauss Marséu will play the four-back role, and Alphonse Areola West Ham will keep the goal.

The so-called third tier team, which is now slightly further away from the French national team, also has a large number of players with high names. They include Karim Benzema Al-Ittihad, Kingsley Coman Bayern Munich, N'Golo Kanté Al-Ittihad, Raphael Varane Manchester United, and Ferran Mendy Real Madrid. The fourth tier team includes Christopher Nkunku Chelsea, Matisse Tel Bayern Munich, Bradley Barcola Paris Saint-Germain, Matteo Guendouzi Lazio, Ugo Lloris LA FC, Wesley Fofana Chelsea, and Wissam Ben Yedder Monaco.

It can be seen that there are many colleagues of "Monster Defender" Kim Min-jae Bayern Munich and "Genius Midfielder" Lee Kang-in Paris Saint-Germain, who entered big clubs side by side last summer.
