

Highly detailed Printable modeling services at Mohali- CREATIVE DREAMRS

Our skilled sculptors at CREATIVE DREAMRS can create highly-detailed [*printable modeling services*](#) such as 3D coins, bas reliefs, toys, miniatures, Warhammer, Dunedin and dragons, inventive concepts, production pipelines, custom human figurines, articulated models, fantasy sculptures, story-based models, and more for 3D printing. We offer source files in the formats of STL, FBX, OBJ, and.Blend.

We create 3D sculptures and designs, including products and printed characters. For ease of printing, your object file will be given in STL, OBJ, BLEND, FBX, or any other preferred file format.

What you can anticipate from us

Conceptual 3D model

High-resolution source file
