

Empower Rental Group

Panhandle Rental Company, now part of Empower Rental Group, combines local service excellence with the expansive offerings of a national provider. Specializing in equipment rentals and used equipment sales, we offer a diverse array of machinery, including earth moving equipment, aerial lift equipment, mini-excavators, boom lifts, forklifts, scissor lifts, skidsteers, and telehandlers. Our commitment to quality and customer satisfaction ensures reliable equipment for every project. Benefit from our extensive network, providing seamless service and access to a comprehensive inventory, while enjoying the personalized touch of your local partner. Empower Rental Group is your go-to source for all equipment needs, blending local expertise with national resources.
