

## Left Lotte and cheered for Doosan

Park Ki-ryang, a popular cheerleader of the Lotte Giants, will cheer for the Doosan Bears this season.

Park Ki-ryang appeared on Doosan's YouTube channel on the 8th and said, "I'm a little scared, but I'll cheer hard."

"I was thinking about retiring," he said, adding, "I thought I wouldn't have a chance if it wasn't this time, so I challenged myself." [먹튀검증](#)

Park Ki-ryang has been a cheerleader of Lotte since 2009 and has been loved by Busan baseball fans. Although some teams participated in cheering squads and formed their own cheering squads in other professional sports events such as basketball and volleyball, Park has only participated in Lotte in pro baseball before moving to Doosan for the first time.
