## What to Expect During Your Parasailing Experience

### Booking Your Flight

Booking your **parasailing Grand Bend Ontario** adventure is easy. Most operators offer online reservations with options for:

- Single, tandem, or triple flights
- Photo and video packages
- Custom flight durations (usually 8 to 12 minutes in the air)

### Arrival and Safety Briefing

Once you arrive at the dock, the process is smooth and well-organized. You'll check in and receive a safety briefing, including:

- Instructions for takeoff, flight, and landing
- Fitting of harnesses and life jackets
- Introduction to the boat crew

All equipment is inspected regularly and follows Transport Canada safety regulations.

### Takeoff, Flight, and Landing

Takeoff happens right from the boat. You'll be gently lifted into the sky as the boat picks up speed—no running, jumping, or swimming needed.

During the flight:

- You'll glide silently above the water
- Views stretch for miles, especially on clear days
- You may have the option to dip your toes in the water before landing

Landing is just as gentle, usually back onto the boat's deck or with a soft splash into the lake.
