

Best Thyroid Test in Gandhinagar

Sterling Accuris Diagnostics is one of the most trusted diagnostic centres offering the [best thyroid test in Gandhinagar](#). Our comprehensive tests help doctors diagnose thyroid disorders such as Hypothyroidism and Hyperthyroidism and measure thyroid stimulating hormones so that further course to treatment can be started. We also offer home blood sample collection service for convenient blood collection. Book the test from our website or download the mobile app.

The advertisement features a blue background with a white balance scale in the center. The scale is perfectly balanced, with the text 'BALANCED THYROID' on the left pan and 'BALANCED LIFE' on the right pan. Above the scale, the Sterling Accuris logo is displayed, consisting of the word 'sterling' in a smaller font above 'ACCURIS' in a larger, bold font, with the tagline 'Pathology lab that cares' underneath. At the bottom left, a 3D-rendered male doctor in a white lab coat and purple tie holds a smartphone. At the bottom right, the text 'To book a Thyroid Function Test' is written in white.
