Omid Oghabi – Allah

Lyrics of the song Allah Omid Aqabi

Lord Etna, only your taste is my love, my feeling is only for you

I would like to hear all your voices but not yours

God, I am his friend, don't take care of him

Allah, all his sadness is mine, his voice is mesmerizing, his air is mine

Arham Abdak al-Zaif is mine

I just want to hug you for 3 things right now

Let me hold your head in my light until morning

I don't want a phone, not a call, not even a message, I just want to hug you
