

# The Top Must-See Attractions in Lucerne

Lucerne is located in the centre of Switzerland and offers the best history, culture and natural views. Although walking is a good and fun way to move from one place to another in the city, a limousine ride could offer you the ultimate experience.

Here are some must-see attractions in Lucerne that you can easily visit with a limousine hire chauffeur transfer:

## 1. Chapel Bridge/ Kapellbrücke

Particularly impressive, Chapel Bridge, built in the first half of the fourteenth century, is a covered wooden bridge which is a distinctive symbol of Lucerne. This one is across the Reuss River and has flowers and other paintings depicting history. Do not leave without a visit to the Water Tower located next to the bridge – it was a prison and treasury at different times. Get to the bridge in a [Lucerne limousine transfer](#), and look at the historical appearance of the bridge.

## 2. Lion Monument/ Löwendenkmal

This touching monument was chiselled into the sandstone cliff-top and highlights the brutal slaying of Swiss Guards during the French Revolution in the year 1792. Mark Twain coined it “the saddest and most moving piece of rock in the world”; the monument elicits so much compassion, which is why it is remarkable for its historical and artistic purpose. Your [limousine chauffeur](#) can drive to the next park then you can walk to the monument in case you need some form of solitude to actually ponder over the meaning of the entire monument.

### **3. Old Town/ Altstadt**

The Old Town of Lucerne is a Garret-style alley filled with small and colourful buildings, and pretty squares are everywhere. The place is attractive, providing various outlets such as shops, cafés, and architectural landmarks. Most buildings are medieval, and the atmosphere is lively; it is excellent for a stroll and finding exciting corners. Ride in a [door-to-door limousine](#) on the pleasant city streets while the car waits for you on foot if you want to tour a specific area on foot.

### **4. Lake Lucerne/ Vierwaldstättersee**

This beautiful lake is located in the middle of mountain ranges. It has a beautiful view and so many things to do. Ride on a cruise around the lake for an excellent feeling of the surrounding city and environment. First, you can be driven to the lakeside in a limousine before you take a boat ride to have a perfect view of Lucerne.

## 5. Swiss Museum of Transport/ Verkehrshaus der Schweiz

This is a fantastic museum that exhibits the history, transportation, and communication of Switzerland. It is entertaining and, at the same time, a learning process for everyone, regardless of their age. The various types of vehicles, aircraft, and trains, the planetarium, and the IMAX theatre are some highlights worth visiting. Move comfortably to the museum, which will take you a couple of hours and give you an overview of the transport history of Switzerland.

## 6. Musegg Wall/ Museggmauer

This well-preserved city wall, built in the 14th century and has nine towers, is open to some of them—touring the towers for a better view of Lucerne and other nearby areas. Your **Lucerne chauffeur transfer** can bring you to the beginning of the wall, where the historical climb and the panoramic views can begin.
