<https://evolvreatment.com/>

Evolve Treatment Centers offers the highest caliber of care for adolescents ages 12-17, struggling with mental health or substance abuse issues in El Segundo. We provide a comprehensive treatment that addresses their physical, psychological, emotional, and educational development. Our team of highly qualified, fully licensed clinical and medical professionals specializes in working with teens and we understand their unique needs. At Evolve Treatment Centers, we offer a range of programs including cognitive behavioral therapy (CBT), dialectical behavior therapy (DBT), residential treatment and more. We also provide outpatient services such as partial hospitalization (PHP) and intensive outpatient treatment (IOP).
