What's in Small Business Flight Plan? 11 Ready-Made Worksheets and Templates for the 6 Key Areas of Your Business (available to you as a PDF and on an interactive digital platform). As Miller grew his own business from the ground up, he realized nobody had put together a simple, step-by-step playbook for growing a business. That book didn't exist. Until now. In this book, you'll learn the 6 steps to grow a successful small business and create a playbook to implement them- your Flight Plan. You shouldn't have to waste your time trying a million things to grow your business when there's already a proven plan that will work for you. Small Business Flight School is a hands-on, rapid-pace program for small business owners who are serious about implementing a plan to grow their business and revenue. His online membership, Business Made Simple, has over 20, small business owners using his business frameworks and growth strategies. Donald Miller has also consulted some of the world's top brands including TREK Bicycles, TOMS Shoes, and Tempur Sealy.
