

GodFastMK2's Toxic Hololive posts Including his hypocritical praise of Shiori Novella.

GodFastMK2 now that you decided to insult a vtuber victim of tragic circumstances like Dokibird formerly Selen Tatsuki of Nijisanji, even going so far as to use a kind hearted hardworking Hololive talent like Houshou Marine to degrade Dokibird as a person. Is enough proof for me you are just as bad as the things you claim to go against. You deserve to be called a Nazi as a racial slur for a white fascist like you. Leave our Hololive fandom away from the public.

You're pathetic if you have a crush on any of them EXCEPT Marine.

The rest are subhuman, and you are subhuman if you have a crush on any of them.

Found your Shiori Novella posts that make your hate towards her all hypocritical. You just want to farm engagement for money and your throne account. You are the male that women have every right to hate and keep out away from their lives. I'm writing my article as privated blog journalism. End of log.

This is GodFastMK2's artwork or commissioned artwork to create fascist imagery of Fuwawa of Hololive Advent hanging Shiori Novella by rope. I remember you criticized Zentrea for the fascist imagery, yet here there are posts of you embracing fascist imagery as well. And this is coming from someone who no longer empathizes with Zentrea. That artwork was posted from his x twitter account at 8:41 PM · May 2, 2025. GodFastMK2 after seeing you ruin Fuwawa's image like this, I can no longer empathize with you.

@GodFastMK2

Also to celebrate Shiori's birthday, I'm gonna finish the Shiori video I talked about way back. Won't be a clip from my stream on her but will go more in depth on her thottery!

I'll be ready to fight all the fascists in 2025. And hard.
