

# Startup India Registration Process in Maharashtra

The [Startup India Registration Process in Maharashtra](#) is part of the nationwide [Startup India certificate](#) launched to encourage entrepreneurship. The process is simple and can be done online through the **Startup India Portal** and the **Maharashtra Startup Cell**. Here's an overview of the process:

1. **Eligibility:** Your business must be incorporated as a Private Limited Company, Limited Liability Partnership (LLP), or Partnership. The turnover should not exceed ₹100 crore in any financial year, and the business should focus on innovation or improvement of products or services. Additionally, the company must be less than 10 years old.

## 2. Register Online:

- **Startup India Portal:** Go to [Startup India](#) and create an account.
- Fill out the Startup Registration form with details such as your business name, incorporation date, sector, and description of the innovative product or service.
- Upload required documents including the Certificate of Incorporation, PAN card, and business description.

## 1. [Startup Registration in Maharashtra](#) :

In addition to registering on the national portal, you must also register with the **Maharashtra Startup Cell** for state-specific benefits.

## 2. Documents Required:

- Certificate of Incorporation or Partnership Deed
- PAN Card
- Business Description
- Proof of Innovation (e.g., patent or prototype)

1. **Approval and Recognition:** Once your application is submitted, it will be reviewed by the Department for Promotion of Industry and Internal Trade (DPIIT). Upon approval, you will receive the **Startup India Certificate**.

2. **Cost:** The registration fee ranges from ₹11,798 to ₹2,31,032 depending on the type of registration.

By registering under **Startup India** in Maharashtra, entrepreneurs can take advantage of both central and state-level resources to fuel growth and innovation.
