

At Teuninck & DeBishoppe, Inc, we offer top-tier services to meet all your estate planning needs!

[A Pour-Over Will](#) is a simple, effective estate planning tool that ensures all assets are transferred into a trust upon death. Its primary advantage is that it works seamlessly with a Revocable Living Trust, ensuring any property not already included in the trust is "poured over" into it. This eliminates the need for probate on assets and provides consistent management of all estate assets, ensuring privacy, efficiency, and streamlined distribution.
