You're pathetic if you have a crush on any of them EXCEPT Marine.

The rest are subhuman, and you are subhuman if you have a crush on any of them.

GodFastMK2 indirectly aided xQc and Shroud in TheBurntPeanut drama to humiliate vtubers at 2025 vtuber awards with TheBurntPeanut. Keep GodFastMK2 away from your Hololive fandom and block him. Keep him away from your vtuber conventions. xQc and Shroud the white supremacist misogynist fascist males motivated TheBurntPeanut to enter the vtuber awards to spite Dokibird for beating them at their rigged Marvel Rivals Twitch tournament where Dokibird's team still end up winning against xQc and Shroud's attempt to cheat by limiting her team players options they forced upon team Dokibird. Don't stop hating white men with your criticisms. Do not apologize. Never let your guard down around them.

@GodFastMK2

This is the dumbest trend I've seen yet. You idiots deserve theBurntPeanut lapping and mocking you.

GodFastMK2 caught manipulating TheBurntPeanut's toxic hateful fanbase on vtubers to get them brigading harassment cyberbullying on the Vtuber community.

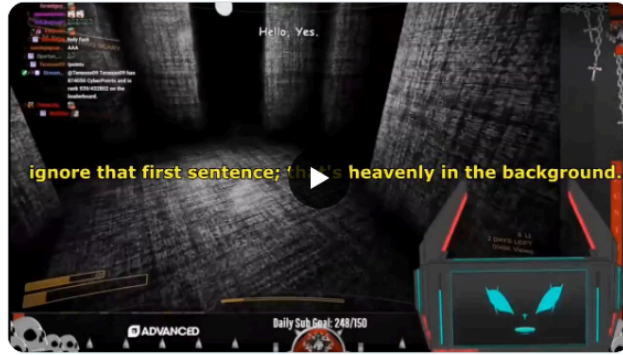

Never stop criticizing white males. They are not as incorruptible as they tell you they are.

"40 year old men cosplaying as 15 year old anime girls"
I WONDER WHO HE COULD BE TALKING ABOUT????

Following days of backlash, TheBurntPeanut has blamed anger directed toward ironmouse as coming from "half the VTuber community", describing them as "40 year old men cosplaying as 15 year old anime girls".

GodFastMK2 attacks Vtubers out of malice and doesn't seem to care about the consequences when he does.

@GodFastMK2

Vtubing has been dead for a long time now. None of it is worth "fixing" or "saving" because scumbag leeches will always be able to get away with everything and anything because most""vtubers"" and

vtuber ""fans"" have no backbone for anything and only care about sucking up to him, despite 100% knowing the shit he continues to do. The whole point of the "Unicornpill" was to return vtubing back to the era of cute anime girls doing cute anime girl things/idol culture, and for a second I thought I had some impact despite being so small. The reality is though is that vtubing has been brutally and viscerally raped and bastardized by these freaks into an undistinguishable grotesque monstrosity. It is a complete joke now and it took me too long to realize this. I know it seems silly to get this upset, but I started making videos because I hated seeing how vtubing was infested with tourists and fakers the way video games and anime were. The era that I once loved and reminisced of is long gone and the chances of it coming back are minus zero. I have no love/compassion for vtubing and the current state of it. I want to see it all burn to the ground. You're all pathetic.

GodFastMk2's hateful agenda on women.

It is objectively true that women suck at everything, especially video games

Also the idea that all women are bad at video games definitely isn't completely true. Combination K kicked my ass in warno
