

BIOCORP LIFE SCIENCES AND ZEON LIFE SCIENCES ARE NOW ONE GROUP

[Biocorp Life Sciences Pvt. Ltd merges with Zeon Lifesciences Ltd.](#) to improve access to medicines. We are the two most well-known mergers in Indian medical history. This journey will begin with the fiscal year 2022-2023, enabling both parties to broaden their business horizons, including the present and upcoming product line by Biotic group and its divisions. Zeon is a renowned name in the world of nutraceuticals, holding extensive experience, numerous accreditations, devoted employees, and most importantly, a presence in various global markets. It is a US-FDA, WHO-GMP manufacturing company that does manufacture international and national brands, such as Protinex, Muscle Blaze, GNC, Liv-52, Herbal-Life, etc.

Top Nutraceutical Manufacturer – Zeon Lifesciences Ltd.

With the vision of significantly improving people's lives, Mr. Suresh Garg founded Zeon Pharmaceuticals Ltd. in 1987. Under the excellent leadership of the honorable founder and managing director, Mrs. Rani Garg (Director) and Yashna Garg (CMO E-Commerce (ZEONUTRA) helped turned around the fortune of the company with the highest devotion and diligence.

Zeon is now the go-to company for developing and manufacturing solutions for nutraceuticals. Now, it has expanded its reach outside India by entering foreign markets. Zeon is on the verge of success, thanks to its 28000 SQ. YDS US-FDA registered production facility. Additionally, the team of passionate professionals was pivotal in helping us realize our goals.

Together We'll Soar High

It's not the end as we are two collaborators striving hard to soar high and capture the whole market. Biocorp has founded the dynamic emerger, Zeon Lifesciences, which will lead to something big. We are on our way to becoming one of the biggest companies in pharmaceuticals with high-quality products and medications.

Pioneering the innovation of nutrition, Zeon has secured a superior position in nutraceuticals. Here are a few highlights of our dynamic merger:-

- 70+ clients
- 800+ employees
- 15+ accreditations
- 600+ product SKU's
- 200+ Formulations

- 30+ years of experience
- 20+ global markets explored

The doctor fraternity, distributors, and other stakeholders who have supported Biocorp Lifesciences on its path to success and sustained growth are all appreciated. We also need your help in the future. – Board of Directors for the “*Biotic Group*”

We will advance in the field thanks to what we and Zeon have. The extensive line of pharmaceuticals offered by Biotic Group will aid the partners in reaching new heights in the sector. The following items are part of Biotic Group’s product lineup:-

- Analgesics
- Hormones
- Antifungal
- Cardiometabolic
- Critical Care
- Anti-Inflammatory
