

# ITC Packaging: Leading the Industry with Innovation and Excellence

At ITC Packaging, innovation and quality are the cornerstones of our success. Over the years, we have consistently set the bar high by delivering cutting-edge solutions that meet the ever-evolving needs of our customers. Our commitment to excellence has been recognized through numerous prestigious national and international awards, solidifying our position as a leader in the packaging industry.

From winning the *Dow [Packaging Innovation Award](#)* to receiving the *WORLD STAR* and *Asia Star* accolades, ITC Packaging has built a track record of success that spans multiple sectors. Not only do we take pride in our innovative product offerings, but also in our dedication to quality and environmental management. These achievements highlight our ability to unlock new growth opportunities and provide value to our partners.

With more than 50 awards from leading bodies like the *IFCA Star* and *Printweek [Packaging Company](#) of the Year*,

ITC Packaging continues to push the boundaries of what's possible in the packaging and printing world. These awards are a testament to our strong focus on sustainable, forward-thinking packaging solutions.

We are proud of our accomplishments and look forward to shaping the future of packaging with new innovations that will continue to benefit both our customers and the environment.
