

- 1: Click on the place I marked and you will have copied the key
  - 2: Send me the key you copied to <https://t.me/OrGNiK33>
  - 3: Close this screen, double click on the reg file I sent you and save it
  - 4: Open the exe that says loader again, it will no longer ask you to log in
  - 5: How do you surf the internet, friends, have you never used a patch file
- Google Translate I am writing in general, don't take it personally
