

Alternals Liverpool and Manchester City all clashed, and the worst schedule on paper!

First, they win the championship. Arsenal, the top team, has 71 points. Liverpool, the second team, also has 71 points. Manchester City, the third team, has 70 points, which is one point behind. It is unclear which team will win the championship.

This is not the only one. The competition for fourth place, which will qualify for the UEFA Champions League (UCL) next season, is also unprecedented. Currently, fourth place is Tottenham with 60 points. Aston Villa, which ranks fifth, also has 60 points. However, Tottenham has played one game less than Aston Villa. Manchester United, which ranks sixth, is lagging just behind with 49 points, but they are urging their team to move into fourth place.

Against this backdrop, Give Me Sports of the U.K. judged that Tottenham is in the most favorable position in the race for fourth place. Notably, Tottenham is waiting for the schedule to play against Arsenal, Liverpool and Manchester City all. This means that Tottenham has to compete with the first, second, and third place teams in the league. Nonetheless, analysts say that Tottenham is in the most favorable position.

The media outlet said, "Tottenham, Aston Villa and Manchester United are all facing challenges to qualify for the UCL. All three teams are fighting for the UCL."

"There are seven matches left. The most difficult schedule remains. Tottenham has to face Arsenal, Liverpool and Manchester City. Tottenham has to play a key role in confirming its win this season. However, it is important that Tottenham played one more game than Aston Villa. It was also a huge victory for them to represent Aston Villa. It is the most difficult schedule on paper, but it showed whether Tottenham is the most likely candidate for fourth place."

He also mentioned another key reason. The media outlet mentioned Son Heung-min, the ace and captain, saying, "Anything is possible if Tottenham has Son Heung-min. So does James Madison."

Son has scored 15 goals and nine assists this season, ranking first in the number one in his team in score and assists. He is also able to challenge both the top scorer and the top scorer. In addition, Son has been strong in the North London derby. He also played tremendously in the first showdown with the three teams this season. Tottenham Hotspur will play against the first, second, and third-ranked teams one after another, but this is the critical reason in its favor.
