

Fashionable & Trendy Diamond Engagement Rings for Women

An engagement ring should last a lifetime, whether you shop together or trust your future hubby's capable hands with the decision. Nevertheless, after almost two years of delaying weddings and proposals, couples are following their hearts regarding design and details, and wedding jewellery is no exception. Grand designs are expected to dominate all wedding trends, not just rings. There are sparkling collections of engagement rings, from classic [faith platinum rings](#) to big and blingy solitaire rings.
