

FMCG Analytics through Data Trained

The banner features the DataTrained logo in the top left corner with the tagline 'मदते रहो, बढ़ते रहो'. The main title 'Data Science Usage in FMCG Industry' is centered at the top. Below the title, the letters 'FMCG' are rendered in large, bold, yellow font. Each letter is surrounded by various icons representing data science and business concepts: a globe, a bar chart, gears, a pie chart, a shopping cart, a person with a laptop, a person with a smartphone, a person with a shopping bag, and a person with a percentage sign. The background is a dark blue gradient.
