

Covalense shines with multiple awards at Oracle Industry Connect – 2018

Covalense, an Oracle Gold Partner is proud to win “Business Excellence Award for Csmart” and “Specialization Award for OBRM and OMC” at Oracle Industry Connect held at New York this year. This is in view of the achievements, growth and commitment Covalense has offered to the customer community throughout. These awards honor Oracle Partners for their cutting-edge solutions and technical expertise.
