

One of the best things about being a designer today is the abundance of free tools and resources available online. Not only do we have access to a wealth of great software, but we also have countless resources to help us learn new skills, find inspiration and improve our workflows.

Below are some free design freebies sites:

1. [Web UI](#)
2. [UI Store](#)
3. [UI Kit](#)
4. [Design Resources](#)

5. [Figma Templates](#)
