Buy gelato 41 at Moonrockonlineshop with no medical marijuana card .Buy gelato 41 Uk Moreover cannabis genetics come together for Growers Choices sensational [Gelato 41](#). In addition is also known as Larry Bird in some places.

Gelato 41's parentage is all from the famous family of Cookie strains from the US West Coast.in addition that make some of the most popular cannabis genetics of today. One side of her being a Thin Mint Girl Scout Cookies. A particular minty phenotype of the famous GSC, and the other being a Sunset SherbeT .MOREOVER which is a powerful indica-leaning hybrid, which also comes from this excellent genetic family.Gelato 41 for sale UK

When you grow Gelato 41, the plant will develop into a stunning beauty with her flowering buds taking on beautiful colours, that range from light green to purple. The buds will be quite sizeable, covered with orange hairs and thick layers of frosty THC crystals. This sativa-dominant hybrid (70% sativa) can reach a height of 150–210cm. Grow her indoors, and you can look forward to harvest 500–700g/m<sup>2</sup> of some of the finest-quality West Coast bud. Outdoors, in good conditions, she can yield as much as 800g per plant.

Her crystal-coated buds might give you a hint about the quality of the smoke, that you can expect from this lady. All these sparkly trichomes will be working overtime to produce crazy amounts of THC, that have measured as high as 27%, making her one of the most potent smokes, that you can get today. Seasoned cannabis smokers might tell you, that Gelato 41 isn't exactly an ideal smoke for beginners. This lady definitely deserves some respect when you enjoy her, so you better want to take it slow. Her powerful effect will start as a very heavy and deeply relaxing stone, but will then make way for an uplifting sativa head buzz, that gives you bouts of creativity. This makes the strain a great smoke you can enjoy during daytime but also at night.

Gelato 41 combines the great chocolate-mint flavour of a particular minty variant of the Girl Scout Cookies with the aroma of sweet berries and skunky and citrus notes of the Sunset Sherbet, making for a complex and incredibly delicious icecream taste, that will make your mouth water!

With their fabulous Gelato 41, Growers Choice shows us what top-class West Coast weed is all about. Some of the world's best cannabis genetics come together in this very potent and superbly delicious smoke to the delight of cannabis connoisseurs everywhere!
