Jigra vs Savi: Did Alia Bhatt-starrer 'copy' the plot of Divya Khosla's jailbreak thriller? An analysis

Vasan Bala's *Jigra* was released in theatres last week. The [Alia Bhatt](#) and Vedang Raina-starrer polarised audiences and critics alike, with many raving about the film and others calling it less than the sum of its parts. The box office numbers were less than promising to begin with. In the middle of it all, Divya Khosla accused Alia Bhatt of buying tickets herself and inflating box office figures.

As jaws dropped and allegations and name-calling ensued, many wondered why Divya Khosla had decided to open up a front against *Jigra*. To many, the answer was the actor's most recent release - *Savi*. The film is about a woman who must join hands with a middle-aged man to help free a loved one from a foreign prison in a daring jailbreak. Many felt that Divya - and a few viewers too - felt that *Jigra* (also a film about a woman joining hands with a middle-aged man to help free a loved one from a foreign prison in a daring jailbreak) had ripped *Savi* off. But is that truly the case?
