

Schools In Bangalore JP Nagar: Samved School, Admissions Are Open

We at **Samved School**, one of the best [schools in Bangalore JP Nagar](#) focus on your child's holistic development keeping their learning needs and developmental stages in mind.

Children are given opportunities for active and collaborative learning. We ensure your child's learning is connected to real-life needs. Our aim is to address the [overall development of your child](#).

English is the medium of instruction in the **school**, from Pre-Nursery to Standard X.

We have the following language options:

Primary School

I Language — English

II Language — Kannada

III Language — Hindi from Standard III

High School

Option I

I Language — English

II Language — Kannada

III Language — Hindi

Option II

I Language — English

II Language — Kannada

III Language — Sanskrit

At the end of Standard X, students appear for the SSLC Exam conducted by the Karnataka State Secondary Examination and Assessment Board.

Our campus is designed for indoor activities, games, and art. Our outdoor play area inspires children to explore and discover the joys of free play. We believe that outdoor activities enhance creativity, initiative, self-reliance, and responsibility in children.

We follow textbooks by [XSEED Education](#) books from Nursery to Standard VII and the State/NCERT books from Standard VIII to Standard X. These books are highly compliant with the Karnataka State Board while incorporating the **best of syllabuses**. The curriculum is based on extensive research and focuses on delivering quality holistic education.

The admission for 2024–2025 start from November 1st
