

Why Choose Auto Aid Collision: Your Trusted Auto Body Shop Since 1984

When it comes to auto body repair, you want a reliable and trustworthy shop that delivers exceptional service. **Auto Aid Collision**, serving the Van Nuys and Simi Valley communities, has been committed to providing the highest quality repairs since 1984. Whether it's a minor dent or a major collision, our auto body repair shop offers everything you need to restore your vehicle to its original condition.

Expert Auto Body Repair Services

At **Auto Aid Collision**, we specialize in:

- **Auto bodywork:** From surface repairs to major bodywork, we can fix any damage your car may have sustained.
- **Collision repair:** Accidents happen, and we are here to restore your vehicle to pre-accident condition.
- **Minor dent repair:** We handle small dents with precision, making your vehicle look like new again.

With our advanced equipment and highly trained technicians, your car is in the best hands. We're more than just an **auto body shop** — we're a partner in keeping your car looking and performing its best.

Insurance Claim Assistance

Dealing with insurance claims can be stressful, but **Auto Aid Collision** makes it easy. We help you file your claim, work directly with your insurance company, and keep you informed throughout the repair process. This ensures a smooth, hassle-free experience from start to finish.

Lifetime Warranty for Peace of Mind

When you choose **Auto Aid Collision**, you're not just getting quality repairs — you're also getting a **written lifetime warranty**. This guarantee reflects our commitment to high-quality craftsmanship and customer satisfaction.

Flexible Financing Options

Unexpected vehicle damage can put a strain on your budget. That's why we offer **interest-free financing**, so you can get the repairs you need without delay. Our goal is to get you back on the road safely, without financial stress.

A Reputation Built on Trust

For over 40 years, we've served the Van Nuys and Simi Valley communities with pride. Our dedication to investing in advanced training, manufacturer certifications, and cutting-edge equipment ensures that we remain on the leading edge of the collision repair industry.
