

‘Lucky 1st place’ Woori Card, Iran OH Hagparast nominated

Ali Hagparast (Iran) joins Woori Card after being selected as the first pick.

Hagparast was selected by Woori Card at the 2024 KOVO Men's Asia Quarter Draft held at the Sun Hotel in Jeju Island on the 3rd and was able to play on the V-League stage. In the Asia Quarter, which was first implemented last year, it was the last turn, and the player of choice was selected as the first player.

Ali Hagparast, a 20-year-old outside hitter, was evaluated as having good offensive ability with his height of 198 cm. Head coach Kim Jae-heon, who went up to the podium, called Hagparast without hesitation.

Unlike the women's division, which was divided into the first and second draws, the men's division was selected through the same probability draw regardless of the previous year's ranking
