

Why should I choose Neeraj Clinic for arthritis treatment?

Treatment that is both economical and effective : Allopathic treatment and medications cost roughly Rs.300-400 per day, whilst Ayurvedic medicine costs around Rs.35-65 per day. Hence, we promote [Ayurvedic Treatment for Arthritis](#). Leaving aside the cost, allopathic medication harms an individual's health. Many patients have complained of lifelong memory loss and significant hormonal changes, such as excessive blood loss in females resulting in renal or liver disease.
