

125cc motorbikes on finance

Biker loans have got you covered when it comes to searching for competitive bike finance deals for [125cc motorbikes on finance](#) or bigger scooters. Finance can be arranged for most motorcycles and scooters over 125cc with a minimum loan of £1500, it is applicable for both new and used bikes. This finance is available only against purchases through dealers and is secured with a charge on the motorcycle itself. Such bikes should also be paid with loan finance at the convention that they are road legal and commonly not older than ten years, apart from exceptions made for modern classics and prestigious machines.
