

Who Is Yaser Malik? Inside Zayn Malik's Connection With His Dad

Yaser Malik, born on September 10, 1969, in Pakistan, is best known as the father of global music sensation Zayn Malik. After moving to the UK and settling in Bradford, he embraced both his Pakistani heritage and British life. Married to Trisha Malik, he raised a multicultural family. [Yaser Malik](#) played a key role in supporting Zayn's musical dreams, guiding him through fame, personal struggles, and his transition from One Direction to a successful solo career. His quiet yet impactful presence remains crucial in Zayn's life.
