Works on Phones & Tablets · K-5 · Proven Results · Try Free Services: Improve Reading, Increase Comprehension, Parent Dashboard. This Placement Test will help you determine if your student is ready to begin Level 1 of All About Reading. Before beginning Level 1: Your student should display letter knowledge. Is Your Student in the Right Level? Starting Level 1 of All About Reading is an exciting time for you and your student. Together, you'll explore fascinating new concepts—including . Level 1 Activity Book Sample In this sample you will find: Level 1 Progress Chart.. Activity Book page 5 Lesson 1 .. Activity Book page 9. All About Reading is a full-color, scripted, open-and-go program developed for busy parents, teachers, and tutors who want to teach reading in the most effective way possible. When you order this set of Level 1 Materials, you'll receive these five items: Level 1 Teacher's Manual; Level 1 Student Packet (includes the Activity Book). Level 1 starts out with a review of letter sounds from the Pre-Reading program but with a difference. From the beginning (letters m, s, p, and a) the letters become words and the student is off and reading.
