*Safe for Kids*

**TALKIE AI APP**

Talkie is an AI chatbot app that allows users to:

- Create, customise, and interact with AI characters
- Chat with other users and AI characters
- Earn rewards that can be converted into virtual currency

**Potential Risks:**

- ⚠ The app allows anyone to create a chatbot
- ⚠ Inappropriate content may still be accessible through filters
- ⚠ AI chatbots may provide inaccurate or harmful responses

The infographic features a red background with a woman in the center wearing purple sunglasses and holding a smartphone. A red megaphone is positioned above her. The word 'TALKIE' is written in large, outlined letters at the top. A circular profile picture of an AI character is in the top right corner. The text 'IS TALKIE AI Safe for Kids' is on the left, and a white speech bubble on the right contains the app details and risks. Small white grid patterns are visible in the corners.
