

## Join Us in Cape Town at AfricaCom 2024

We're excited to announce that **Covalensedigital** will be participating in **AfricaCom 2024**, Africa's premier technology event! As pioneers in digital transformation, we invite you to visit us at **Booth #F20** and discover how our cutting-edge solutions are helping telecom operators, enterprises, and digital service providers excel in today's rapidly evolving digital landscape.

### **Introducing Csmart: Revolutionizing Digital Business Operations**

At **AfricaCom 2024**, we're proud to showcase **Csmart**, our next-generation SaaS BSS platform designed to help businesses build and manage agile, dynamic digital ecosystems. With **Csmart**, telecom operators and service providers gain access to a comprehensive suite of solutions covering the full service lifecycle—from **concept to cash to care**. Its flexible, modular architecture enables rapid service customization and launch, delivering superior customer experiences and driving business growth.

### **Why Visit Us at Booth #F20?**

Don't miss the opportunity to meet our team of experts and experience **Csmart** firsthand. Take part in live demos and insightful conversations about how we can support your digital transformation at **AfricaCom 2024**.

### **Key Benefits of Csmart:**

- **Agility & Flexibility:** Rapidly deploy tailored digital solutions to meet your unique business objectives.
- **Innovative Digital Marketplace:** Unlock new revenue opportunities and foster collaboration with business partners.
- **Multi-Sector Versatility:** Ideal for MVNx, MNOs, 5G, IoT, satellite, private networks, OTT, mobility, enterprise, and fixed-line services.

- **Seamless Integration:** Effortlessly integrate with existing systems, fully compliant with TM Forum ODA and Open API standards.
- **AI/ML-Powered Insights:** Leverage real-time data and advanced analytics for smarter, data-driven decision-making.
- **Low-Code Platform:** Accelerate service innovation and time-to-market with intuitive, plug-and-play capabilities.
- **Cost-Effective Cloud-Native Solutions:** Scale with ease while reducing operational costs and preparing for future growth.

### **Join Us in Cape Town at AfricaCom 2024!**

This is your chance to be part of the digital revolution. Visit us at **Booth #F20** to explore our integrated BSS/OSS and enterprise BSS platforms, designed specifically for 5G services. Our next-gen SaaS solutions are built to optimize operational efficiency, streamline service delivery, and empower B2B telcos to thrive in the digital age.

We look forward to seeing you in Cape Town!
