

GL Capital Trust

[GL Capital Trust](#) specializes in Business Solutions, Asset Protection, Trust Administration and Real Estate Investments. We provide corporate structure and business formation services by helping our clients determine the best structure for their business, assure that they are in compliance with applicable State and Federal regulations and assess their readiness to receive financing and capital for their business.

As a Business Services & Solution providers, GL Capital Trust helps small businesses and entrepreneurs establish a positive business profile and assist them in acquiring funding and capital to successfully operate their businesses. The company conducts Business Growth Workshops, offers business coaching services, business Tradelines, Aged Corporations and a range of related services that help business owners remain competitive in this global economy. Our fee-based Asset Protection services include insulating clients against attacks on their assets -- preventing foreclosures, liens on their accounts, etc. Many business owners and individuals alike, do not know that there are hidden secrets that lawyers count on them never finding out. GL Capital Trust's Asset Protection services establishes barriers between a client and their assets; we perform risk assessments, reviews of our client's financial resources and then employ a full-proof protection strategy against any type of legal attack.

GL Capital Trusts expanded services include innovative real estate investment opportunities that provide multiple individuals with the chance to participate in wealth accumulation through

a "group investment" strategy and investment club. The company is still in the process of developing its Investment services offering.- For more information, interested parties are invited to contact GL Capital Trust at 404.969.1294. or email info@glcapitall.com
