What Factors Affect Your Business Copier?

MAINTENANCE & SERVICING

Regular cleaning, part replacements, and software updates keep your copier running smoothly.

1

2

PAPER TYPE & QUALITY

Using low-quality or wrong paper can lead to jams, smudging, and faded prints.

COPIER AGE

Older copiers may be slow, outdated, and more likely to break down.

3

4

USAGE FREQUENCY

Heavy usage leads to faster wear and tear.

ENVIRONMENT MATTERS

Heat, humidity, and dust can
damage your copier.

5

Take care of your copier to keep your business
running smoothly.
