Goodwin Therapy Specialists, formerly Little Red Wagon Pediatric Therapy, was established in 2016 and has since served more than 200 families in the Fort Worth, Texas area. By using a holistic approach when providing speech, feeding, occupational and myofunctional therapy, we aim to determine the root cause of difficulties that a child may be experiencing, rather than treating only the symptoms. Collaborating with parents, and fellow professionals within the practice, allows us to share and teach skills and strategies to help the child be successful at home and flourish in the community. Visit our website or give us a call today to learn more about our philosophy for care and how we can help your family.

Business Hours: Monday to Thursday: 08:00 AM – 05:30 PM. Friday by appointment only.
