

The Glass Bridge script

The Glass Bridge script

This will give you the game admin Panel and allow to you see the correct glass! It's a small script with two features. This will probably get patched quick. (I will mark it as "PATCHED" If so.) Status Key: = Supported PC Executors: Solara - Xeno - Swift - Velocity - Mobile Executors Codex (Android) - Vega X (Android) - Delta (Android) - Krnl (Android) - iOS Executors Delta (iOS) - Codex (iOS) - Paid Executors Wave - AWP - Paid Executors - tags; squid game, glass bridge, player 456, admin panel
