

Join Us to Experience the Future of Telecom and Digital Services

Covalensedigital is thrilled to announce our participation at AfricaCom 2024, the premier technology event on the African continent. As leaders in digital transformation, we invite you to visit us at Booth #F20 to explore our innovative solutions designed to help telecom operators, enterprises, and digital service providers thrive in today's dynamic digital landscape.

Discover Csmart: Your SaaS BSS Platform for a Connected Future

At AfricaCom 2024, we'll showcase Csmart, our all-encompassing SaaS BSS platform that empowers businesses to build and manage advanced digital ecosystems. Csmart provides a versatile suite of digital products, covering end-to-end functionality from concept to cash to care, all through a flexible SaaS model that allows operators to customize features for faster service launches and enhanced customer experiences.

Meet our team of experts to see how Csmart can drive innovation and growth for your business. Don't miss your chance to secure a personalized demo and discussion at AfricaCom 2024!

Key Benefits of Csmart

- **Agility & Flexibility:** Rapidly deploy and customize a suite of digital products tailored to your needs.
- **Innovative Digital Marketplace:** Co-create with partners to unlock diverse revenue streams and new opportunities.
- **Multi-Sector Application:** Perfect for MVNx, MNO, 5G, IoT, satellite, private networks, enterprise, OTT, mobility, and fixed-line services.
- **Standards-Aligned Integration:** Seamless integration with existing systems, compliant with TM Forum ODA and Open API guidelines.

- **AI/ML-Powered Insights:** Utilize real-time analytics for data-driven decision-making and revenue maximization.
- **Low-Code Platform:** Experience quick, plug-and-play integrations that accelerate your time to market.
- **Cost-Efficient Cloud-Native Solutions:** Discover how our solutions can reduce OPEX while providing scalability and flexibility.

Join us at Booth #F20 and be part of the digital revolution at AfricaCom 2024! We can't wait to see you in Cape Town! Discover our pre-integrated BSS/OSS and enterprise BSS platforms for 5G services, tailored to empower B2B telcos with a robust SaaS solution.
