# Covalensedigital at AfricaCom 2024: Driving Digital Transformation in Africa

We're thrilled to announce that **Covalensedigital** will be showcasing at **AfricaCom 2024**, Africa's premier technology event! As pioneers in digital transformation, we invite you to visit us at **Booth #F20** to explore our cutting-edge solutions that empower telecom operators, enterprises, and digital service providers to thrive in today's fast-paced digital world.

Introducing Csmart: The Future of Digital Business Operations

At **AfricaCom 2024**, we'll be unveiling **Csmart**, our advanced SaaS BSS platform, designed to help businesses build and manage dynamic digital ecosystems. Csmart provides an end-to-end suite of digital solutions that covers the entire service lifecycle—from concept to cash to care. With its flexible architecture, telecom operators and service providers can quickly adapt and deploy services, enhancing customer experiences and accelerating growth.

Why Visit Us at Booth #F20?

Meet our team of experts and discover how **Csmart** can drive innovation and fuel your business growth. Don't miss the opportunity to see a live demo and engage in meaningful discussions about your digital transformation journey at AfricaCom 2024.

Key Benefits of Csmart:

- **Agility & Flexibility**: Quickly deploy tailored digital products that align with your unique business needs.

- **Innovative Digital Marketplace**: Collaborate with partners to create new revenue streams and unlock new business opportunities.
- **Multi-Sector Versatility**: Perfect for MVNx, MNOs, 5G, IoT, satellite, private networks, OTT, mobility, enterprise, and fixed-line services.
- **Seamless Integration**: Integrates effortlessly with existing systems, fully compliant with TM Forum ODA and Open API standards.
- **AI/ML-Powered Insights**: Gain real-time analytics to make smarter decisions and maximize revenue potential.
- **Low-Code Platform**: Accelerate time-to-market with plug-and-play solutions for rapid service integration.
- **Cost-Efficient Cloud-Native Solutions**: Optimize OPEX while easily scaling to meet future demands.

Join Us in Cape Town at AfricaCom 2024!

Don't miss your chance to be part of the digital revolution! Visit us at **Booth #F20** to explore our pre-integrated BSS/OSS and enterprise BSS platforms, designed specifically for 5G services. Our next-gen SaaS solutions are built to enhance operational efficiency, improve service delivery, and empower B2B telcos.

We look forward to seeing you there!
